Dear Parents/Carers

2027 SCHOOL CHARGES AND CONTRIBUTIONS

The Augusta Primary School Board has endorsed the schedule of Contributions and Charges for 2027. The schedule is broken into four sections and will allow you to calculate all costs that may be incurred throughout the school year.

1. Contributions

Parents and carers are asked to contribute $60.00 per student for the year. This amount is set in line with the School Education Regulations 2000.
Your contribution directly supports classroom learning. Funds help us purchase materials and resources that enrich the teaching and learning program for every child. While contributions are voluntary, they make a significant difference, and we greatly appreciate every family's support.
Below is a summary of how each contribution is used:

Kindergarten/Pre-primary		**Years 1 - 6**	
Additional (Resource Materials)	$10.00	Specialist (Consumables)	$10.00
Art/Craft Consumables (Stationery $5 + Craft Materials $5)	$15.00	Art/Craft Consumables (Stationery $5 + Craft Materials $5)	$10.00

PAYMENTS
CASH or EFTPOS at Administration office or
Compass Pay, Direct Deposit, Augusta PS *BSB 633-000 A/C 207374299*

To support families, the School Board recommends these flexible payment options:

Option 1 A single contribution of $60.00 per student.

Option 2 Four equal contributions, each of $15.00 made in the first week of each term.

Option 3 Two payments, each of $30.00 made in the first week of each semester.

This works out to approximately $1.50 per week. All contributions directly benefit our students, and our goal is to reach a 90% contribution rate to support the best possible learning environment for all children.

2. Charges for Extra Cost Options

We've prepared a table showing the estimated costs for excursions, incursions, and other activities planned for 2027. These estimates are based on the wonderful learning opportunities offered in previous years and are provided to help families plan ahead with confidence. The amounts listed represent the maximum that may be charged for each activity.
These charges have been reviewed and positively endorsed (ratified) by the School Board, ensuring they reflect good value and support enriching learning experiences for our students.
Some activities throughout the year involve additional costs. Payment is required for students to participate, and any unpaid charges will carry over into the following year.
The schedule includes:

- Excursions and incursions that bring learning to life for students.
- Specialist programs offered to selected students, such as PEAC or Instrumental Music.
- Additional experiences, including camps and extended learning opportunities.

If you have any questions about the charges or would like support, please contact the school office — we are always happy to help our families.

3. Items for Personal Use (Stationery List)

Each year group has a personalised list of items students will need for classroom learning. These typically include:

- Personal items used daily in lessons (e.g. pencils, books, stationery)
- Required items that support learning (e.g. workbooks, home readers). Please note that these specific items on the list should not be replaced with alternative brands or types.

Some items, such as tissues, may not be fully used during the year. These will be donated back to the school unless families request otherwise.
Students will need access to their stationery every day. Some items may need to be replaced during the year if they run out.

Thank you
