Principal's Message

Dear Parents and Caregivers,

As August draws to a close, we're thrilled to share some exciting highlights and upcoming events from our bustling school community. This month has been filled with creativity, learning, and memorable experiences, all made possible by your continued support.

Book Parade: "Reading is Magic"

Our Book Parade, themed "Reading is Magic," was an enchanting success! Students dazzled us with their imaginative costumes inspired by their favourite books. The parade was a spectacle of creativity and joy, transforming our school into a magical realm. A big thank you to all the families who contributed to making this event so special!

Kindy Olympics

The Kindy Olympics were a joyous occasion! Our youngest students participated with great enthusiasm and teamwork in a range of fun activities. It was enjoyable to see their excitement and energy. Thank you to the parents and staff who helped make this event a memorable experience for our little ones.

Inspiring Talk with Olympian Lara Mist

We were honoured to have Olympian Lara Mist join us for an inspiring talk. Lara shared her remarkable journey and emphasized the importance of perseverance, dedication, and

dreaming big. Her visit left a lasting impression on our students and motivated them to strive for their goals.

Science Week Highlights

Science Week was a hit, filled with fascinating experiments, interactive workshops, and enlightening sessions. Our students explored the wonders of science and engaged in hands-on learning experiences that sparked their curiosity. A big thank you to Katherine Hardegon and the CRC for organizing such an engaging and educational week.

Exciting News: New Year 1 Building

We're pleased to announce that our brand-new, purpose-built Year 1 transportable building has arrived! Site works are expected to be completed around early September, with Year 1 students moving into their new space in Term 4. Thank you to our students, parents, and staff for your patience and understanding throughout this process. We're excited for the new learning environment that this building will provide.

WEC Data Collection

In Week 5, our Year 4-6 students participated in the Wellbeing and Engagement Census (WEC). This census is designed to gather valuable information about students' wellbeing and engagement at school. The data collected will help us understand our students' experiences and identify areas where we can improve. Your support in encouraging your child's honest participation is greatly appreciated. Further information will be provided once we analyse the data.

Coming Up Next:

We look forward to seeing you there and connecting with you about your child's learning journey and socializing, with the P&C cooking up a feast!. We'd like to extend a special thank you to the P&C (Parents & Citizens Association) for their incredible support and hard work. They will be providing support in the canteen and at the book fair that week. Their dedication plays a crucial role in organizing and enhancing our school events and programs, and we are deeply grateful for their contributions. We will also be conducting our Parent Survey that night as well, so be on the look out to have your say for 2025!

Exciting News: Transition to Microsoft Sway

We're excited to announce that future newsletters will be moving to the Microsoft Sway format. This new format will be interactive and visually engaging, providing a dynamic way to stay informed about school news and events. The newsletters will remain accessible on

our website, so you can easily catch up on the latest updates anytime, and we always have a few newsletters printed in the office. Come in and grab them!

Thank you for your continued support and involvement in our school community. We look forward to seeing you at the upcoming events and celebrating our students' achievements together.

Book Week Parade

What an amazing book week parade! Thank you to the students, parents and staff that made it a success! The costumes looked amazing! The student's showed resilience and confidence to get up on the stage and speak to the audience about their very imaginative costumes. It really highlights how much joy books bring to us and just how magic reading is.

Thank you to so many parents that came down to support the students, we love having you in the school. The sense of community was palpable, as families joined in the fun, cheering on the parade participants, and taking part in the festive atmosphere. The event not only celebrated the joy of reading but also strengthened the bonds within our school community.

It was great to see how engaged the students were during the class reading sessions, thank to our Augusta PS teachers for your efforts!

Appreciation Post

A big thank you again to the Augusta Bakery and Augusta Meats for their continued support for Augusta PS and helping us cater for our many events!

Year 6 Emergency Services

Our Year 6 students took part in their Emergency Services sessions over the last three weeks and had a great learning experience at the Augusta VMR. The students learnt what to do in case of emergency, how to operate the radios, how to read and plot on maps, all about marine safety gear, how to tie knots and they got to get acquainted with all of the vehicles used in the marine rescue. Many hands went up when the offer of going out on the jet skis was made!

A big thank you to Dennis, Phil, Herman, Eion, Helen, and Steve from the Augusta VMR!

Term 3 Assembly

Our latest Assembly was a highlight, showcasing the incredible talents and hard work of our students. It was a wonderful celebration of their achievements and milestones. We appreciate the dedication of everyone involved and enjoyed sharing these special moments with our school community.

What a fantastic showcase from our classes. Well done to all the students for being brave and showing resilience to get up in front of all the students and parents to talk at the assembly! Thank you to so many parents for attending, we really appreciate you being there. Well done on our Year 5 and 6 students to have a jam on the xylophones after only 1 rehearsal!

Kindy - PP Olympics

On Wednesday the 7th of August the Kindy and Pre-Primary students enjoyed their own Olympics competing in events such as weightlifting, shot put, team games and discus. Well done to our little Olympians and thanks you to Clare Dallimore for her organisation, to Lara for her support, and to our education staff for putting on such a great event!

The students were very lucky to listen to a presentation from our resident Olympian Lara Mist

Behaviour Matrix at Augusta PS

I would like to share the behaviour matrix that we use at Augusta PS. These were created through discussion with staff, students and our School Board, and it reflects the positive and restorative approach that we use in terms of managing behaviour.

We have high expectations at Augusta PS and when you look at our behaviour model you will see that we work towards our students self-reflecting, making sure they are heard in terms of concerns, and that we aim for our students to support one another and self-manage. We will be creating a take home version, so that the language we use is the same between home and school.

These are available in every classroom in the school and class teachers use this to refer to when managing behaviour within the school. This means that every teacher, student, parent, educational assistant and relief teacher knows the high expectations of behaviour at Augusta PS.

New Building

We are very excited to see that the new Year 1 building has arrived, and the contractors have been very busy to get the job finished ready for our Year 1 students to move in by early September. It was quite a thrill for some of our students (and staff and parents!) to watch the new building be craned onto its position in two pieces and then carefully fixed together. It has been a combined effort in Admin to liaise with the department to make sure we are getting the very best specification buildings for this school.

Running Club Update

20/8/24

Blackwood vs Leeuwin

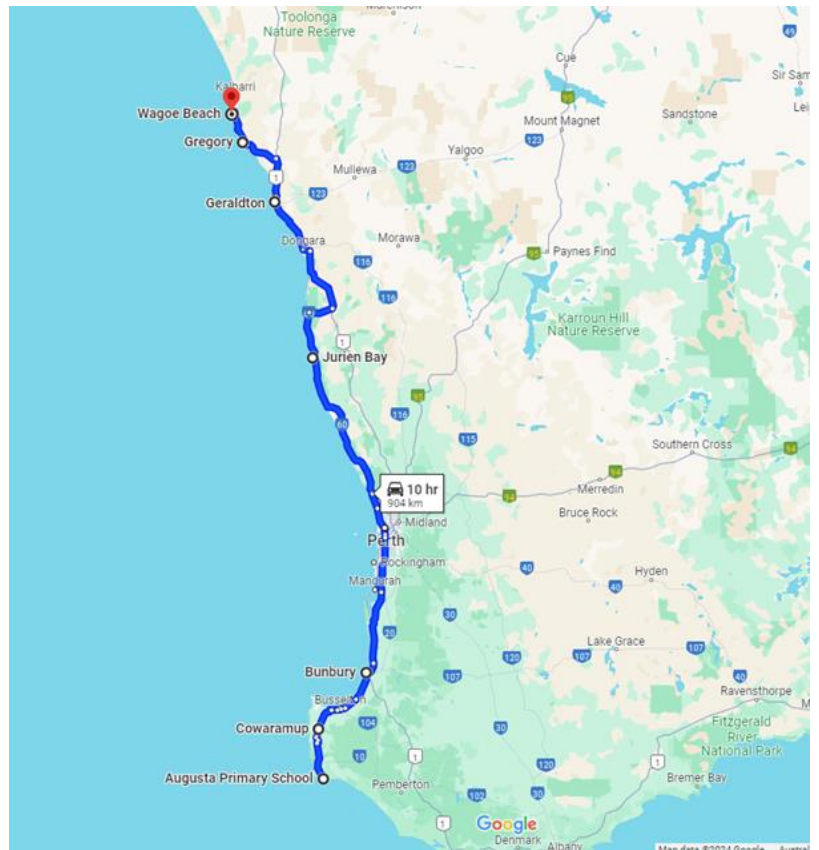

Running Club Lap Championship

163 - 162

A huge day on the track yesterday!

It is neck and neck with the laps being counted not once, not twice but thrice!

Leeuwin scored an impressive 42 laps and Blackwood ran just over with 43. This puts the totals at Leeuwin 162 vs Blackwood 163!

To all students: Don't forget - every lap earns a Wacky Winner which goes into the weekly Friday lunchtime prize draw. Remember you must be at school to get your prize on the day! All Wacky Winners are then put back into the big assembly draw for Week 10. So, lace up your shoes and get running!

We are also about to start works on upgrading the track with white grit and gravel, over the next few weeks.

Thank you to Kylie, Lara, Jasmine, Jodie, Daniel and Mel for their help on the track.

COMPASS

As part of the Department of Education communication direction, we are fast becoming a Compass school and we now have Compass Kiosk installed at the front desk. This new system will make dropping off and picking up your children more streamlined, allow for excursions to be approved and paid for and basically just bring the system in line with many other schools. Our school is using Compass for absentees, news and events happening in the school, newsletter notification and incursion/excursion/camp permissions and payments. We now have a payment and excursion permission feature attached.
