Dear Parents/Carers

2025 SCHOOL CHARGES AND CONTRIBUTIONS

The Augusta Primary School Board has endorsed the schedule of Contributions and Charges for 2025. The schedule is broken into four sections and will allow you to calculate all costs that may be incurred throughout the school year.

1. Contributions

The total amount of contributions parents/carers are being asked to pay for the year has been set at \$60.00 per student, which is in line with the School Education Regulations 2000.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments. Student workbooks, for example, are not included in the Stationery List and will come from your voluntary contribution and school funds. Therefore, it is vital for the school to receive your family's contribution. Your contribution will be used to supplement school funding for the purchase of resources needed in the provision of the learning program activities. The table below gives you the breakdown of where we will direct your voluntary contribution to.

Kindergarten/Pre-primary		Years 1 - 6

Compass Pay, Direct Deposit, Augusta PS BSB 633-000 A/C 207374299

The School Board has suggested the following options be offered to assist parents making their contribution and would like to point out the contribution per child (\$60.00) equates to \$1.50 per week over the course of the school year.

Option 1 A single contribution of \$60.00 per student.

Option 2 Four equal contributions, each of \$15.00 made in the first week of each term.

Option 3 Two payments, each of \$30.00 made in the first week of each semester.

We also point out that all contributions are used for the direct benefit of the children. Our aim is to raise our community's contribution rate to 90% for the benefit of all our children.

2. Charges for Extra Cost Options

A breakdown of estimated charges for your child's participation in excursions, incursions, activities for 2025 have been included in the table attached. Details on charges collected in previous years has helped guide the 2025 estimate of charges. The amounts shown represent the maximum charged for scheduled activities in 2025.

The schedule includes costs associated with:

- Specific learning activities and available to **all** students, but conditional on a payment being made e.g. incursions, excursions.
- Specific learning activities available to **selected** students, but conditional on a payment being made e.g. PEAC, Instrumental Music program, etc.
- Other activities available to all students, but conditional on a payment being made e.g. camps, etc.

3. Items for Personal Use (Stationery List)

The list of items for personal use (Stationery List) will vary from student to student and includes:

- Pupil requirements for all students and used in lessons
eg. stationery items.
- Pupil requirements recommended but not essential for all students
eg art shirt, etc.

Your child will need to have access to the listed materials each school day so it will be necessary to replace some items, such as pens or pencils, throughout the year.

Thank you
